

**ECD ENTRY LEVEL CASH DRAWER**

## **ECD330 Cash Drawer**

### **A COMPACT, PRACTICAL CASH DRAWER**

APGs' Entry Level Cash Drawers, ECD, are a range of cost effective, highly functional cash drawers that offer excellent value for money. The ECD range is perfectly suited for the small to medium retailer in a variety of sectors, including hospitality and general retail where a good performing cash drawer is appreciated and a heavy-duty lifetime is not expected. The ECD330 cash drawer features a small footprint designed to maximise counter space and is the ideal platform for compact EPOS terminals and mobile PoS where space is at a premium.

#### **Durable**

Featuring a robust steel construction (at 5 kg in weight) & steel ball bearing rollers for a prolonged operational life, the hard wearing ECD330 cash drawer is suitable for the busiest of retail environments.

#### **High Capacity**

The insert can accommodate 5 notes and 8 coins.

#### **Compact**

Ideal for use in situations where space is limited, the ECD330 cash drawer features a small footprint of just 330mm in width to maximise the counter space.

#### **Functional**

The insert can be removed from the drawer to make it easy to transport coins and notes to the back office.
