

# Z-Band® Fun and Z-Band Splash wristband solutions

## These innovative new print-on-demand, bar-coded wristbands provide a cost-effective solution for the entertainment and hospitality industries.

Brightly coloured and durable, they're both fun and practical, enabling cashless point-of-sale and access management.

Using a Zebra® bar-code printer and direct-thermal Z-Band Fun or Z-Band Splash wristbands you can:

- Reduce ticket fraud – and the revenue losses associated with counterfeits and theft
  - Z-Band wristbands are blank and don't have value until they're printed on demand
  - They can be printed with the guest's name for access verification
  - They're tamper-evident and non-transferable, and include everything paid for on one wristband
- Improve transaction speeds. Employees simply scan a bar code instead of exchanging cash and working cash registers
- Enhance each guest's experience. Guests enjoy increased convenience and can be rewarded with special offers and benefits
- Enjoy lower total cost of ownership compared to RFID wristbands. While bar-coded Z-Band Fun and Z-Band Splash offer cashless payment and patron data-capture benefits similar to RFID, the bar-coded bands cost significantly less

## Wristbands for:

- Amusement parks
- Theme parks
- Water parks
- Carnivals
- Fairs/Festivals
- Zoos/Aquariums
- Sporting events
- Concerts
