Charging the battery

Connect the type C USB cable to the USB port on WD200 and connect the other end of the USB cable to AC power adapter. Then plug into the electrical outlet. It is highly recommended that using the unitech USB type-C cable to charge the terminal.

The charging LED indicator on WD200 is turning red when it is in charging state. The green light is on after the battery is fully charged.

Inserting a Nano SIM Card

1. Remove the one screw on the Nano SIM card slot cover with a screw driver and remove the cover.
2. Insert the SIM card with the notched corner.
3. Push the card into the slot until you feel the card click into place.
4. Lock the cover back into place.

Checking LED Status

LED	Description
Red Light	<ul style="list-style-type: none"> ■ Battery Charging ■ Twinkling to indicate battery low status(less than 15%)
