

# Linea Pro 7

for iPhone® 6/6s/7/8

## Designed for streamlined operations

The Linea Pro 7 is a durable, compact device designed specifically for the iPhone 6, iPhone 6s, iPhone 7 and iPhone 8. With multi-purpose scanning capabilities, magstripe and RFID reader, and Bluetooth capability, this high-performance device is suited for any type of industry and can keep your business mobile around the clock.

### Process payments:

Equipped with magnetic stripe reader (MSR), the Linea Pro 7 can process any payment anytime, anywhere.

### High-Speed handheld scanner:

1D/2D multi-purpose barcode scanner allows businesses to manage inventory and quickly process receipts. The Linea Pro 7 scanner rapidly scans barcodes and can process up to 16,850 scans on a full battery charge (up to 26 hours).

### Connect and Monitor:

The Linea Pro 7 comes with Bluetooth compatibility option so you can stay connected to your other business devices. It also comes with contactless and RFID capabilities to facilitate rapid wireless communication and processing.

### Optimization Tools:

This device is well-suited for any enterprise and environment. This compact, durable device will keep your iPhone safe and secure resting comfortably in the palm of your hand. It comes with the ability to process data in real time with customizable software and advanced scanning capabilities. Save money and time by monitoring all aspects of your business including time and attendance, delivery receipts, and inventory levels.

### Customizable software:

This device is compatible with a range of software platforms and offers a variety of software tools. Features an SDK so you can integrate existing platforms without difficulty. The Linea Pro 7 simplifies the software integration process.

### Safe and Secure:

Mobilize your operations with a device you can trust. The Linea Pro 7 comes with FCC, CE, and RoHS certifications.
